

WE FUEL ORGANISATIONS TO MAKE THEIR SUPER HEROES FLY

WHAT WE DO

Goodtalks is dedicated to increase the level of women in leadership and boardrooms.

We do this by helping organisations strengthen insight into their current state of business within five organisational levels of change that have a strong impact on its ability to strengthen women in leadership.

This insight is crucial for ensuring that decisions and changes in the organisation are made on an informed and well-documented basis.

THE 5 LEVELS OF CHANGE

01

STRATEGIC LEVEL

How do we perceive and talk about women in leadership throughout the organisation?

02

STRUCTURAL LEVEL

How do our HR processes support our strategy for women in leadership?

03

CULTURAL LEVEL

How do our culture embrace and include diverse talents?

04

LEADERSHIP LEVEL

How is the alignment between our strategy for women in leadership and our leadership behaviour?

05

INDIVIDUAL LEVEL

How do we support our talents and managers in fulfilling their ambitions?
